RE: The Pueblo of San Juan designation recommendation for the 8-hour Ozone National Ambient Air Quality Standard

Dear Mr. Cooke:

On behalf of the Pueblo of San Juan we wish to recommend that our pueblo air shed designated as an unclassifiable area. Our recommendation is based on the fact that there is not sufficient data for classifying our tribal air shed thus we would fall under the attainment/unclassifiable designation.

I look forward to hearing your response to our recommendation, and am aware that there is a 120-day consultation period.

Sincerely,

Governor John Bird
Pueblo of San Juan
