Re: 130 Liberty Street – June 7, 2006 Revised Roof Search/Cleaning Procedures

Dear Mr. Gallo:

I am writing to follow-up on the June 9, 2006 electronic message that Mr. Emmet Keveney of my staff sent you indicating we had no further comments on your June 7, 2006 Revised Roof Search/Cleaning Procedures for 130 Liberty Street and to confirm that such procedures are acceptable to the United States Environmental Protection Agency (EPA). It is our understanding that the June 7, 2006 Revised Roof Search/Cleaning Procedures are also acceptable to the New York State Department of Labor and the New York City Department of Environmental Protection.

Please notify EPA in advance of commencement of any activities associated with the above-referenced roof procedures.
