Manufacturer: Top Seal Corporation (A Drug Plastics Family Company)
Model: SecuRx
ASTM Type: IA

Description:

This is a two piece plastic/plastic continuously threaded closure (Figure 1). The closure is opened by pushing down on the closure and simultaneously turning it counterclockwise. There are two different sets of manufacturer's instructions for this closure (Figure 2).

Figure 1

Figure 2

One set of the manufacturer's instructions on the closure are (Figure 3):

Figure 3

(This is a pictorial overcap. There is a picture of a closure with an arrow labeled 1 pointing down on the closure and an arrow labeled 2 on the side of the closure in the picture pointing counterclockwise.)

Another example of the instructions for this closure are shown in Figure 4:
