Re: Closure of Administrative Order
Docket No. SDWA-08-2002-26
Sherwood Water Company
PWS ID # UT4902144

Dear Mr. Johnson:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order ("Order"), Docket Number SDWA-08-2002-26, issued to the Sherwood Water Company on September 30, 2002. The decision is based upon EPA's understanding that the Sherwood Water Company is no longer a corporation under the laws of the State of Utah, and therefore is not a "person" within the meaning of 40 C.F.R. § 141.2. If there are additional violations of the SDWA in the future, EPA may issue an enforcement action naming you as an individual.

Please be aware that the Sherwood Water Company water system is still required to comply with the National Primary Drinking Water Regulations ("NPDWR"), 40 CFR Part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to $32,500 per day of violation.

Thank you for your attention to this matter and for your cooperation in resolving the violations. If you have any questions related to this matter, please contact me at (303)312-6896.

Sincerely,

Lisa Kahn, Team Leader
Drinking Water Enforcement Program
Office of Enforcement, Compliance
and Environmental Justice
