Dear Mr. Clarke

On behalf of Governor Kempthorne, I am transmitting the state of Idaho's recommendations for designations for attainment, unclassifiable, or nonattainment areas as required under section 107 of the Clean Air Act for the new eight hour ozone National Ambient Air Quality Standard.

Since Idaho has no ozone monitoring data, Idaho submits a recommendation that the entire state be designated as unclassifiable. Idaho will submit recommendations for attainment and non-attainment areas at such time as Idaho obtains adequate eight hour monitoring data.

Sincerely,

C. Stephen Allred
Administrator
