Re: Your Concern About Lack of a Clean Air Act Title V Operating Permit for Deseret Power's Bonanza Power Plant

Dear Mr. Nichols:

Thank you for your letter of September 8, 2011, expressing concern about lack of issuance of a final federal operating permit, under title V of the Clean Air Act, for Deseret Power's Bonanza power plant in Utah. As you have noted, we made a draft operating permit available in 2002 for public comment. The Region intends to update the draft permit and re-issue it for public comment in the near future.

Sincerely,

Carl Daly FOR
