---

Dear Mr. Fujii,

EPA Region 10 is proposing to issue a title V air operating permit to Neucor, Inc. on the Yakama Reservation. The public notice associated with the proposed action is attached along with the draft permit and statement of basis. The entire administrative record is available online starting August 13, 2026. Go to https://www.epa.gov/caa-permitting/caa-permitting-epas-pacific-northwest-region and click on the link associated with the Neucor, Inc. draft permit under the public comment opportunities. The public comment period for the proposed action closes on September 12, 2026. Email your comments to r10_air_permits@epa.gov (r10_air_permits@epa.gov). Thank you.

Regards,

KP
