Re: Regional Climate Pollution Reduction Grant Application Letter of Intent

Dear Ms. Padilla,

On behalf of the City of Cupertino, I am submitting this letter to serve as notice of our intent to sign the Memorandum of Agreement (MOA) with the coalition of entities in the San Jose-Sunnyvale-Santa Clara, CA Metropolitan Statistical Area, led by Silicon Valley Clean Energy, that is submitting an implementation project application to the Environmental Protection Agency (EPA) Climate Pollution Reduction Grant (CPRG) program for the Public Facilities Resiliency Implementation Project. The MOA will describe the roles and responsibilities of each coalition member in implementing the proposed greenhouse gas reduction measures, including related equity analysis, performance evaluation, community engagement and workforce development activities, and fulfilling all reporting requirements as described in the CPRG application.

I am authorized to sign on behalf of the City of Cupertino and to bind the City of Cupertino to the MOA.

Sincerely,

Pamela Wu
