SUBPART 204-3
PERMITS

Sec.
204-3.1 General NO_x budget permit requirements
204-3.2 Submission of NO_x budget permit applications
204-3.3 Information requirements for NO_x budget permit applications
204-3.4 NO_x budget permit contents
204-3.5 Effective date of NO_x budget permit
204-3.6 NO_x budget permit revisions

Historical Note

Subpart (§§ 204-3.1—204-3.6) filed Jan. 26, 2000 eff. 30 days after filing.

§ 204-3.1 General NO_x budget permit requirements.

(a) Each NO_x budget source must have a permit issued by the department pursuant to Part 201 of this Title.

(b) Each NO_x budget permit shall contain all applicable NO_x Budget Trading Program requirements and shall be a complete and distinguishable portion of the permit under subdivision (a) of this section.

Historical Note

Sec. filed Jan. 26, 2000 eff. 30 days after filing.

§ 204-3.2 Submission of NO_x budget permit applications.

(a) The NO_x authorized account representative of any NO_x budget source shall submit to the department a complete NO_x budget permit application under section 204-3.3 of this Subpart by the applicable deadline in subdivision (b) of this section.

(b) (1) For any source, with one or more NO_x budget units under section 204-1.4 of this Part that commence operation before January 1, 2000, the NO_x authorized account representative shall submit a complete NO_x budget permit application under section 204-3.3 of this Subpart covering such NO_x budget units to the department by May 1, 2002.

(2) For any source, with any NO_x budget unit under section 204-1.4 of this Part that commences operation on or after January 1, 2000, the NO_x authorized account representative shall submit a complete NO_x budget permit application under section 204-3.3 of this Subpart covering such NO_x budget unit to the department by the later of May 1, 2002 or 12 months before the date on which the NO_x budget unit commences operation.

Historical Note

Sec. filed Jan. 26, 2000 eff. 30 days after filing.

§ 204-3.3 Information requirements for NO_x budget permit applications.

A complete NO_x budget permit application shall include the following elements concerning the NO_x budget source for which the application is submitted, in a format prescribed by the department:

(a) identification of the NO_x budget source, including plant name and the ORIS (Office of Regulatory Information Systems) or facility code assigned to the source by the Energy Information Administration, if applicable;

(b) identification of each NO_x budget unit at the NO_x budget source and whether it is a NO_x budget unit under section 204-1.4 or Subpart 204-9 of this Part;

(c) the standard requirements under section 204-1.6 of this Part; and

(d) for each NO_x budget opt-in unit at the NO_x budget source, the following certification statements by the NO_x authorized account representative: "I certify that each unit for which this
