

Annual EPA-DOD Federal Facility Colloquium
EPA Region 3 - Philadelphia

Geographic location or area of activity: Region 3

Description of activity: The Regional Federal Facilities Program is instrumental in planning and conducting the Annual EPA-DOD Federal Facility Colloquium, an event unique to Region 3. The goal of this conference is to improve communication and federal facilities compliance. Participants include both civilian and military agencies as well as their state counterparts. This year's colloquium attracted 170 attendees representing EPA, DOD, and the Region 3 states.
