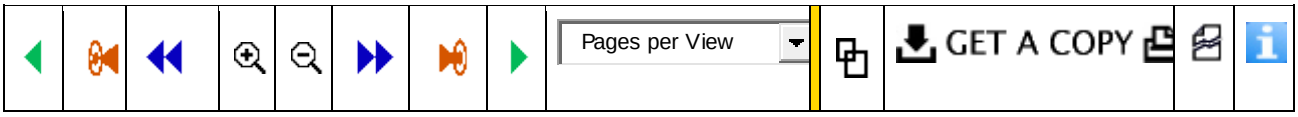
Linking to NSCEP's Online Publications

Each online document has a permanent URL that can be linked to for future reference. To find the short URL for a document you need to be in the document and able to view the icon bar above the document. (see sample icon bar below)



Click on the information icon on the far right hand of the icon bar, you will see something similar to the example below.

Document key fields		Document properties	
pubnumber	832K122002	**File**	P100IDC8.txt
title	Water-Smart Landscapes Start With WaterSense	**Rank**	1 of 1, sorted on Hitdensity (descending)
pages	14	**Page**	1of 14
pubyear	2013	**Hitdensity**	0.05
provider	NEPIS	**Hits**	2
access	online	**Size**	35306 bytes
origin	PDF	**Date**	Thursday, April 17, 2014 6:32:21 PM
		Index	2011 Thru 2015
Short URL	http://nepis.epa.gov/Exe/ZyPURL.cgi?Dockey=P100IDC8.txt		

The Short URL is at the bottom of the table. Cut and paste it into whatever document you would like to save it in, or cut and paste it into a web browser and then save it to your favorites.

http://nepis.epa.gov/Exe/ZyPURL.cgi?Dockey=P100IDC8.txt
