Public Notice: EPA Region 10 proposes air permit for Yakama Forest Products in White Swan, Washington on the Yakama Reservation

EPA Region 10 is proposing to renew an air quality permit to operate for Yakama Forest Products located on the Yakama Reservation. As required in 40 CFR 71.11(a)(5) and 71.8, all draft operating permits must be publicly noticed and made available for public comment. EPA invites the public to submit written comments on this proposed permit through the process described in attached notice below.

Related Information

- Air Permits Issued by EPA Region 10 <https://epa.gov/caa-permitting/air-permits-issued-epa-region-10>

There is a 30-day public comment period for actions pertaining to a draft permit. This comment period closes on September 12, 2025. The EPA will accept written comments by e-mail to r10_air_permits@epa.gov (include “Draft Yakama Forest Products Title V Permit” in the subject line). For other submission methods or any other questions, please reach out to:

- Yakama Forest Products Draft Statement of Basis for P71 Renewal (pdf) <https://www.epa.gov/system/files/documents/2025-08/yfp-p71-sob-and-app-a-draft-2025.pdf> (617.95 KB)
- Yakama Forest Products Draft Administrative Record (pdf) <https://www.epa.gov/system/files/documents/2025-08/20250813-yfp-p71-draft-administrative-record.pdf> (11.17 MB)
    - To access the features of the administrative record, follow the below instructions:
        1. Ensure you have Adobe Acrobat installed, as PDF portfolios require this software to open correctly. If you do not have Adobe Acrobat installed, you can download it from the Adobe website <https://get.adobe.com/reader/>.
        2. Download the desired PDF Portfolio from the browser.
        3. Navigate to the folder where you downloaded the PDF portfolio.
        4. Right-click on the PDF file and select "Open with" from the context menu, then choose "Adobe Acrobat Reader" or "Adobe Acrobat DC."
        5. Once opened in Adobe Acrobat, you should see the portfolio interface, which might include a list of files, documents, or multimedia elements contained within the portfolio. Please double click the folders in the panel in order to access the documents in each folder.
