Dear Chairman Lewis,

I'm writing to let you know that EPA Region 10 has issued the renewed title V air permit for Yakama Forest Products. Please find the title V permit and statement of basis attached. No comments were received during the public comment period, so the final permit decision becomes effective immediately upon issuance.

Please let me know if you have any questions. Thank you.

Very Respectfully,

Angeles Herrera
Director, Air and Radiation Division
U.S.EPA Region 10, Seattle, WA 98101
