Subject:	Public Notice: EPA Region 10 proposes air permit for Yakama Forest Products in White Swan, Washington on the Yakama Reservation
Date:	Tuesday, August 12, 2025 2:49:54 PM
Attachments:	Public Notice for YFP P71 Draft Permit.pdf

Good afternoon,

EPA Region 10 is proposing to issue a title V air operating permit to Yakama Forest Products in White Swan, Washington on the Yakama Reservation. The public notice associated with the proposed action is attached. The proposed permit, support documents and all related materials are available online starting August 13, 2025. Go to https://www.epa.gov/caa-permitting/caa-permitting-epas-pacific-northwest-region and click on the link associated with the Yakama Forest Products draft permit under the public comment opportunities. The public comment period for the proposed action closes on September 12, 2025. Email your comments to r10_air_permits@epa.gov. Thank you.
