NOTIFICATION OF PROVISIONAL SETTLEMENT

The Parties provide this joint notification to the Board that on December 23, 2015 the Parties reached provisional settlement. Pursuant to Paragraph 8 of the Settlement Agreement, the Parties submit the Settlement Agreement along with this notification to the Board, and request that the Board continue to hold Appeal Nos. 15-01 & 15-02 in abeyance pending EPA's final action on Deseret's application for a Minor New Source Review ("NSR") Permit under Paragraph 13 of the Agreement. EPA anticipates taking final action on Deseret's permit application on or before February 22, 2016.[1]

[1] On October 19, 2015, in response to a request from Deseret Power dated June 3, 2015, Region 8 corrected the permittee name from "Deseret Power Electric Cooperative" to "Deseret Generation & Transmission Cooperative." The administrative permit amendment and re-issued permit as amended are available at: http://www.epa.gov/sites/production/files/2015-10/documents/deseret_tv_permit_v-uo-000004-00.01_final.pdf.
