Re: Doña Ana County Utilities/Salem WWTP NPDES Application NPDES Permit No. NM0030457

Dear Mr. Herrera:

This package constitutes the United States Environmental Protection Agency (EPA) final permit decision for the above referenced facility. Enclosed are the responses to comments received during the public comment period and the final permit. According to EPA regulations at 40 CFR 124.19, within 30 days after a final permit decision has been issued, any person who filed comments on the draft permit or participated in the public hearing may petition the Environmental Appeals Board to review any condition of the permit decision.

Should you have any questions regarding the final permit, please feel free to contact Aron Korir of the NPDES Permits Branch at the above address or by telephone: (214) 6656522, by fax: (214) 665-2191, or by E-mail: korir.aron@epa.gov. Should you have any questions regarding compliance with the conditions of this permit, please contact the Water Enforcement Branch at the above address or by telephone: (214) 665-6468.

Sincerely,

MARK HAYES
