RE: Letter of Support for Climate Pollution Reduction Implementation Grant (CPRG) - Decarbonize DRCOG

Please accept this letter as documentation of the City of Centennial's support for the Decarbonize DRCOG grant proposal. We believe that the Decarbonize DRCOG initiative is a strategic, impactful, and replicable approach that provides a critical resource for homeowners and businesses. The City recognizes the significant impact funding would have in supporting residents and businesses in Centennial and the region who would like to electrify.

We are excited about the transformative potential of this initiative and look forward to working closely with DRCOG and other stakeholders to advance the efforts of business and residents seeking to electrify their properties.

Should you have any inquiries regarding our support for this funding application, please feel free to contact Wyatt Peterson, Senior Strategic Advisor, at wpeterson@centennialco.gov.

Sincerely,

Matt Sturgeon
