Approval of Final Completion Report for the Lyman Street Removal Action

Dear Mr. Tagliaferro,

The General Electric Company (GE) submitted, by cover letter dated August 28, 2009, the August 2009 report titled *Final Completion Report for the Lyman Street Removal Action* (the Final Completion Report) to the U.S. Environmental Protection Agency (EPA), with a copy to the Massachusetts Department of Environmental Protection (MassDEP), pursuant to Paragraph 88.a of the Consent Decree for the GE-Pittsfield/Housatonic River Site. MassDEP has been provided the opportunity to review and comment on all aspects of the investigations related to the Final Completion Report and concurs with EPA that the Lyman Street Removal Action, excluding Post-Removal Site Control Activities, has been performed in accordance with the Consent Decree, and that the Performance Standards for the Lyman Street Removal Action have been achieved.

Sincerely,
