

Monitoring and Surveillance and the GLBTS

- Existing Multinational Stakeholder Group (Can, US, provinces, states, academia, ENGOs, etc.)
- Wide array of monitoring and surveillance activities (National, provincial, state, academia, ENGOs, etc)

Opportunities exist:

- to use GLBTS as mechanism to provide coordinated approach to monitoring and surveillance activities
- for information sharing – feed into national programs and also draw upon them
- for added value to the GLBTS

Monitoring and Surveillance and the GLBTS

- Is there a role for the GLBTS in Monitoring and Surveillance?
- If yes, in what capacity?
 - Participants?
 - Roles?
 - Governance?
