

For Ducks Unlimited Greenwings

# Fun Zone

EARLY ELEMENTARY ACTIVITIES

Connect the dots to reveal the secret picture.

### Dear Parents:

In an effort to make *Puddler* as meaningful as possible for all its readers, we have created this special insert. It contains activities designed specifically for your child's age group. Read this issue of *Puddler* together, then share these related activities with your child. We've also included suggestions for further reading and discussion.

Want more pictures to color? Visit the

## Mallard

*Anas platyrhynchos*

Color-It Range Map

1 = yellow = summer

2 = blue = winter

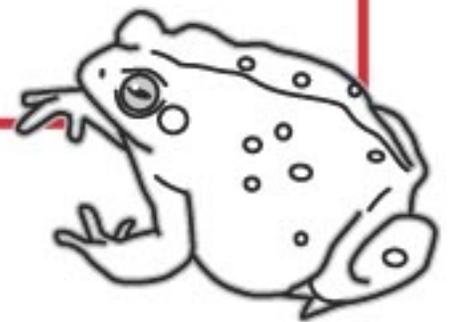

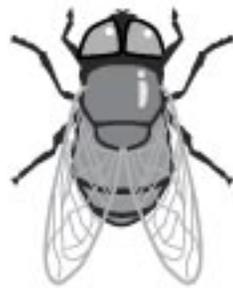

3 = green = summer/winter

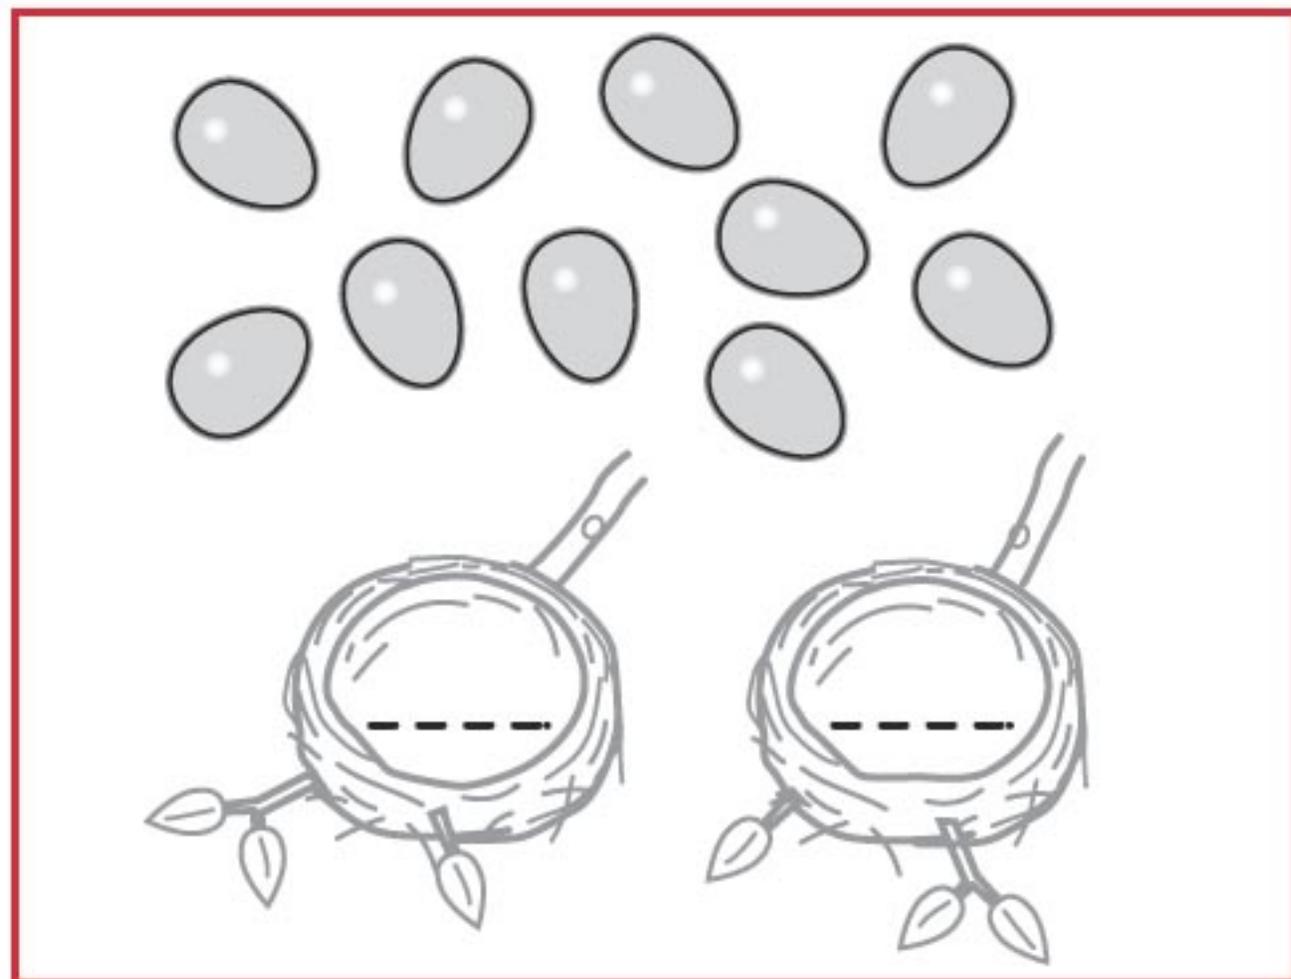

### I.D. Tips

- ♦ yellow bill, green head
- ♦ white neck ring
- ♦ red chest, gray body and wings
- ♦ blue wing patch edged with white

Color the mallard!

Toad wants to eat the two flies that are exactly the same. Circle the two that it can eat.

Count the eggs. Write the number here: \_\_\_\_\_  
If each nest has the same number of eggs, how many  
are in each nest? Write the number in each nest.

### Going Further

#### Suggested Reading

*DK Readers: Duckling Days* by Karen Wallace

*Birds Build Nests* by Yvonne Winer

#### Discussion Ideas

- What kinds of birds visit your backyard (and possibly nest there) in springtime?
- What other kinds of animals can you name that make nests?

### Answers:

Each nest will have five eggs.
