Color the kingfisher.
Use this issue of *Puddler* for help.

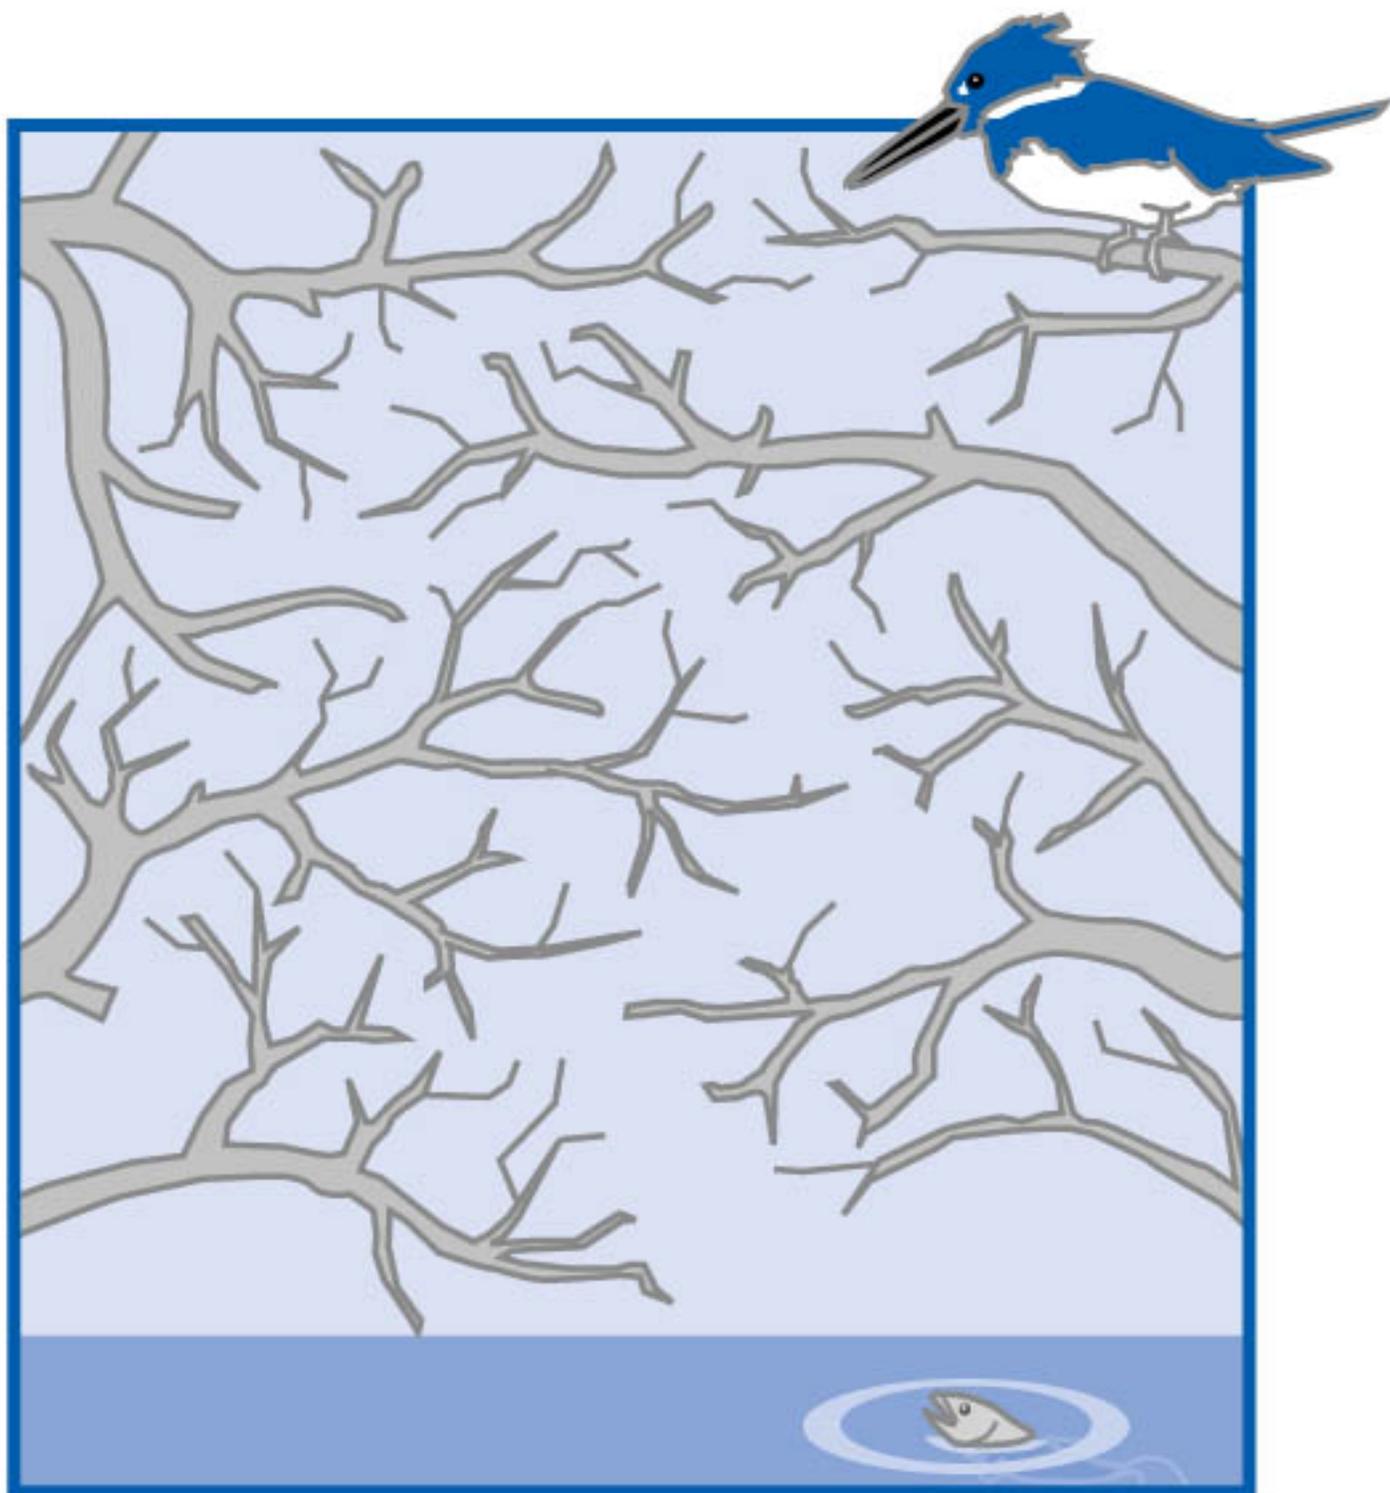

Dear Parents:

In an effort to make *Puddler* as meaningful as possible for all its readers, we have created this special insert. It contains activities designed specifically for your child's age group. Read this issue of *Puddler* together, then share these related activities with your child. We've also included suggestions for further reading and discussion.

Who left each of these tracks?
To find out, unscramble the letters below each track.

Want more pictures to color? Visit the

Help the kingfisher find its way through the branches to catch the fish.

Do you know the name of this duck? To learn its name, start at the letter "B" and read every second letter clockwise.

Animals in Winter

(Let's Read-And-Find-Out-Science Stage 1)

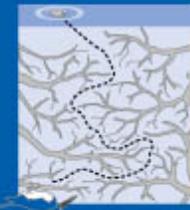

by Henrietta Bancroft and Richard G. Van Gelder

Home At Last: A Song of Migration by April Pulley Sayre

Discussion Ideas

- What are some animals that you see during winter where you live? Have any of them migrated to your area?
- What are some challenges both people and animals face during winter?
