

**Nominate your company, project, or peer for LMOP Partner or Project of the Year!**

Here's your chance to gain national recognition from LMOP and your peers. Can you afford to miss this opportunity?

LMOP is currently accepting nominations for outstanding Partner and Project of the Year awards in the following categories:

- Industry Partner
- Energy Partner
- State Partner
- Community Partner
- Endorser
- Project of the Year

Nominations are due by **November 9, 2009**. Nominees must be LMOP Partners at the time of application. For the Partner and Project of the Year awards, the project(s) in question must be operational at the time of award application submittal. Please include the date your project came on line. Award recipients will be selected based on demonstration of the following:

- Innovation and creativity (e.g., unique project structure or partnership, use of technologies, strategies for overcoming barriers);
- Success in promoting landfill gas energy projects locally, nationally, or globally (e.g., community involvement, ground breaking/ribbon cutting, green power campaign, corporate sustainability goals); and
- Environmental and economic benefits achieved (e.g., quantify greenhouse gas and other environmental benefits, cost-effectiveness of project).

In ten pages or less (photographs and other related materials welcome), describe why the nominated awardee deserves recognition, addressing the criteria above.

Come join us as we recognize the 2009 awardees during the 13th Annual LMOP Conference and Project Expo, January 11-13, 2010 in Baltimore, MD!

**Join the ranks of the 2008 Awardees:**
