IV. Identification of the Justification/Rationale for Limiting Sources and Demonstration of the Contractor's Unique Qualifications to Provide the Required Supply/Service.

FAR 8.405-6 requires an ordering activity to justify its actions when restricting consideration of schedule contractors to fewer than required in FAR 8.405-1 or 8.405-2. The specific circumstance that justifies restriction for this acquisition is FAR 8.405-6 (b), "The items are peculiar to one manufacturer. A brand name item, whether available on one or more schedule contracts, is an item peculiar to one manufacturer." Application (Purpose of Procurement): The 200 Dell Latitude laptop docking station computers will be used by EPA employees. The Dell laptop computers are compatible with the Environmental Protection

Agency (EPA) network and have been determined by the Office of Environmental Information (OEI), EPA Headquarters, as the Agency standard for laptops and personal computers. Dell brand laptops meet the optimal processing requirements within the EPA Information Technology (IT) profile. In addition, Dell is the only brand of computers that OEI will allow to be connected to the network. Any other computer placed on the EPA network would automatically be disabled because of security and compatibility issues.

V. Determination by the Ordering Activity Contracting Officer that the Order Represents the Best Value Consistent with FAR 8.404 (d):

In accordance with FAR 8-405-2 (3)(A), the RFQ will be posted on the GSA E-Buy. It is anticipated that there will be competition among the GSA vendors that provide Dell Latitude docking station laptop computers. Award will be based on the lowest price that meets technical requirements.

VI. Description of the market Research Conducted Among Schedule Holders and the Results Or a Statement of the Reason Market Was Not Conducted:

This requirement will be placed on GSA e-Buy under Schedule No. 70. In an effort to streamline and expedite the procurement process, it is considered to be in the Government's best interest to purchase the Dell laptop docking stations under GSA Schedule. The RFQ was posted on the GSA E-buy website from 06/05/2012 and closed on 06/13/2012.

VII. Other Facts Supporting the Justification: N/A

VIII. Actions the Agency May Take to Remove or Overcome Any Barriers That Led to the Restricted Consideration Before Any Subsequent Acquisition For the Supplies or Services:

No action planned

IX. Contracting Officer's Certification: The contracting certifies that the justification is accurate and complete to the best of the contracting officer's knowledge and belief.
