

EVALUATION FACTORS FOR RFQ-MED-09-00014

1. **DEGREE** achieved in a field of science (e.g., biology, chemistry, ecology, environmental science, computer science, information technology, mathematics, physics, or related field), plus credit hours earned toward an advance Degree related to the contract specialty(ies).

2. Total **CREDIT HOURS** in all course work directly related to the contract specialty(ies).

3. Total **MONTHS** of relevant employment or volunteer services.

4. Total **GRADE POINT AVERAGE** in related coursework.

5. **REFERENCES** (*minimum of two references with name, title, telephone number, and email address*). [If used as an evaluation factor, references will be asked to rank the student(s) from 1 (low) to 5 (high) as follows:]

Attribute	Ranking (1-5)
1. Ability to follow directions with minimal oversight.	
2. Ability to work with peers.	
3. Level of interest demonstrated in work performed.	
4. Quality of work performed.
