Original Archive Date:	Feb 28, 2006
Current Archive Date:	Feb 28, 2006
Classification Code:	F -- Natural resources & conservation services

## Contracting Office Address

Environmental Protection Agency, Headquarters Contract Service Center, 1200 Pennsylvania Avenue, Nw, Washington, DC 20460

## **Description**

NAICS Code: 562910 The purpose of this notice is to update contractors with regards to the "Expanding the Industry Base" Blanket Purchase Agreements (BPAs). The United States Environmental Protection Agency's (EPA) Office of Acquisition Management announced its intention to establish BPAs for supplemental emergency response support services in a synopsis posted August 16, 2005 at <http://www.epa.gov/etib/>. The Government originally planned to set up one BPA per each of the ten EPA Regions and initially award BPAs to Regions 1, 2, and 3, with the remaining 10 EPA regions to follow. However, the Government has determined that one national BPA, serving all ten EPA Regions, will be more suitable for this requirement. The Government will post an updated synopsis and sources sought notice in the near future which reflect this change. Vendors should carefully review the revised synopsis and sources sought notice as there may be other changes. Primary Point of Contact: MELISSA KAPS, Contract Specialist, Phone: 202-564-2641, E-Mail: [kaps.melissa@epa.gov](mailto:kaps.melissa@epa.gov) Secondary Point of Contact: DAVID MURPHY, Contracting Officer, Phone: 202-564-6595, E-Mail: [murphy.davidm@epa.gov](mailto:murphy.davidm@epa.gov)
