

# Blanket Purchase Agreement (BPA) Agenda

- Introduction
- BPA background
- Emergency Response (ER) BPAs
- National Logistics Support Services
- Expanding the Industry Base (ETIB)
- Questions

## BPA background

- What is a BPA?

- An agreement, NOT a contract!

- Purpose

- Simplify ordering process

- Objective

- Identify businesses/ professionals/ specialized experts to assist in executing the mission

# Emergency Response Equipment BPAs

- Speed up ordering process
- Reduce COs administrative burden
- No minimum use requirements
- Pre-negotiated terms
- Provide consistency

POC: Ron Bell (202) 564-4501

<b>11 Categories of ER Equipment</b>
ER Responder Health and Safety (PPE)
ER Hazmat
ER Chemical Agent
ER RAS Response
ER Air Sampling and Meteorological Conventional Air Response
ER Air Sampling and Meteorological
ER Advanced Sampling
Specialized CT
Field Communications
Ready Reserve
Specialized Equipment
ID Clothing

# National Logistics Support Services BPAs

- Provide and coordinate critical logistic support services to all 10 Regions
  - Accommodating up to 100 EPA personnel
  
- BPA Vendors provide 1 or more logistics support service for selected regions

POC: Claudia Armstrong (202) 564-6679

Logistics Support Task Area
Incident Command Post (ICP)
Site/ Grounds Requirements
