The proposed requirement mentioned herein is being considered for Small Businesses; Small Disadvantaged Businesses, 8 (a); Women Owned Businesses; Service Disabled Veteran-Owned Small Businesses; Veteran-Owned Small Businesses; Hub-zone certified; potential joint venture partners; or teaming partners. The government will use responses to this sources sought notice to make appropriate acquisition decisions. The Superfund /RCRA Regional Procurement Operations Division, Office of Acquisition Management is currently seeking small businesses that can perform all of the Performance Work Statement (PWS) requirements. The contractor shall be prepared to provide scientific/technical support for EPA activities in furtherance of the agencies primary mission, the protection of human health and the environment. The contractor shall fulfill

these responsibilities near the Cincinnati, Ohio and Erlanger, KY facilities, as well as site specific work and possible international support. The PWS falls under the North American Industry Classification System (NAICS) code 562910. Interested firms must demonstrate in their qualifications statement that they are qualified to perform all of the PWS tasks under this NAICS code.

The Draft PWS and associated Government Performance Specifications are posted on the following webpage [www.epa.gov/oamsrpod/ersc/dats/index.htm](http://www.epa.gov/oamsrpod/ersc/dats/index.htm). The resultant contract is anticipated to be Fixed Rate Indefinite Delivery Indefinite Quantity with a twenty-four (24) month base period and the possibility of three twelve (12) month award terms. The contractor will be reimbursed for other direct costs incurred during the period of performance of the contract. Work will be ordered through the issuance of task orders. The contractor shall provide all personnel, materials, and equipment necessary to perform the PWS. Interested Small Businesses; Small Disadvantaged Businesses, 8 (a); Women Owned Businesses; Service Disabled Veteran-Owned Small Businesses; Veteran-Owned Small Businesses; Hub-zone certified; potential joint venture partners; or teaming partners should provide the EPA with appropriate documentation (i.e., a detailed capability statement and/or relevant past performance history documenting its ability to perform similar PWS requirements). Standard company brochures are not desired.

Interested concerns who believe they have the capability to provide the required services as defined in the Decontamination Analytical and Technical Services PWS are invited to submit two (2) copies of a Qualifications Statement. Responses should also include the following information: company name, address, point of contact, phone number and email address; Small Business or Small Disadvantaged Business status; 8 (a); Women Owned Businesses; Service Disabled Veteran-Owned Small Business; Veteran-Owned Small Businesses; Hub-zone certified status; potential joint venture partners or teaming partners.
