<DESC>NAICS Code: 334516 Notice of Intent to Award a Sole Source Purchase Order
Gas Chromatograph with Mass Selective Detector

The U.S. Environmental Protection Agency (EPA), Office of Acquisition Management in Washington, D.C. intends to award a Sole Source Fixed-Price purchase order to Agilent Technologies under the authority of the Federal Acquisition Regulation (FAR) subpart 6.301-1, Other Than Full and Open Competition

procedures and FAR Parts 13, Simplified Acquisition Procedures, for the acquisition of a Gas Chromatograph with Mass Selective Detector. Agilent Technologies Inc. is the only source that manufactures this type of instrument with the listed specifications.

This supply is needed to support offices that make up EPA's Emergency Response Team.

The specifications to this notice are posted at:
<http://www.epa.gov/oam/srpod/index.htm#solam> under the section entitled Announcement. Please refer to the link entitled, Notice of intent to Award a Sole Source Purchase Order for Gas Chromatograph. The link provides a detailed

description of the specifications required for the purchase of the Gas Chromatograph.

In accordance with the SOW, and based on an extensive research effort routinely conducted by the agency, Agilent Technologies Inc. has continuously proven to be the only vendor capable of

satisfactorily meeting the specifications of the SOW. For this reason, it is in the best interest of the Government to award this procurement to Agilent Technologies Inc.

No solicitation or Request for Quote (RFQ) is available for this purchase order. Nevertheless, any vendor that believes it is capable of meeting the EPA requirements

RFQ-DC-09-00174-0.txt

described in the SOW may submit a response, which, if received within six (6) calendar days from the date of this

announcement, will be considered. Responses to this posting must be submitted in writing via e-mail only to Ron Bell at bell.ron@epa.gov. A Determination not to compete the described purchase order based upon responses to this notice is solely within the Discretion of the Federal Government.

Any questions or comments should be directed to Ron Bell
