AMENDMENTS TO THE SOLICITATION

1. The attachment entitled "AMENDMENT 6" has been added. The text is as follows:

The bolded text below indicates changes made to the Telecommunications Specialist key personnel

Telecommunications Specialist

a. Duties. Operates and performs operator level preventive and corrective maintenance on all telecommunications and cryptographic equipment and systems. Serves as the Alternate COMSEC Custodian. Prepares the telecommunications systems portions of the daily, weekly, and monthly Operations Status reports; identifies telecommunications equipment and system shortfalls; and develops/revises Standard Operating Procedures (SOP) and instructions for telecommunications and cryptographic equipment and systems operations and transmission security (TRANSEC). Works under the general supervision of the Emergency Operations Center Manager and receives work assignments from the Project Manager and/or Emergency Operations Facility Manager.

b. Qualifications. A Bachelor's degree is preferred in Telecommunications Systems, Management, Business, Information Systems, or other related scientific, technical, or liberal arts discipline; **and/or a minimum of six years experience in this area**, of which at least two years must be specialized; and a Top Secret national security clearance (current at time of contract award).

(1) General experience includes telecommunications equipment/systems operations; emergency operations center (EOC) activities; PC based office automation equipment and programs (word processing, data base management, spreadsheet, modem communications, etc.); and demonstrated ability to effectively communicate orally and in writing.

(2) Specialized experience includes national security emergency, catastrophic disaster, or environmental emergency program and/or facilities operations; physical security and operations security (OPSEC) planning; previous experience as a COMSEC Custodian or Alternate COMSEC Custodian; and demonstrated ability to develop operational plans, procedures, and instructions.

All other personnel qualification requirements as specified in the original solicitation, and Amendment 4 remain unchanged. There will be no further substitution of experience for the degree requirements for any other positions with the exception of the Emergency Operations Facility Manager as specified in Amendment 4.
