

Region 3 GPRA Baseline RCRA Corrective Action Facility

ArcelorMittal Steelton LLC (Formerly: ISG Steelton Inc.; Bethlehem Steel Corp.-Steelton)

215 South Front Street
Steelton, PA 17113
Congressional District 17
EPA ID #: PAD003026531
Last Updated: 12/31/2008

Current Progress at the Site

This facility is one of EPA Region III's high priority RCRA corrective action sites. On August 11, 1995, EPA determined that both the *Human Exposures Under Control* and the *Migration of Contaminated Groundwater Under Control* Environmental Indicators have been met. EPA is currently evaluating the information to determine if all of the corrective action requirements have been met.

In May 2003, this Bethlehem Steel site, as well as other operating sites were sold to International Steel Group.

Site Responsibility

RCRA Corrective Action activities at this facility are being conducted under the direction of EPA Region III with assistance from the State.

Institutional Controls

The capped, area at this site will not be disturbed. Groundwater under this site will not be used for potable purposes. The land will be used for non-residential purposes, only.
