Current Progress at the Site

A Final Environmental Indicator Inspection Report was submitted to the Pennsylvania Department of Environmental Protection (PADEP) on October 7, 2008 for approval. EPA Region 3 has recently drafted a Statement of Basis based on its review of this document. The Statement of Basis proposes that Corrective Action is complete and no land use controls are required (Corrective Action Complete without Controls) for the Facility. A public notice is scheduled to be posted in The Delaware County Times newspaper on February 18, 2009 and will be followed by a thirty (30)-day comment period that will end on March 20, 2009.

Site Description

The Facility was formerly located in the Georgetown Building Bay 109 of Darby Commons Court in Darby Township, Folcroft, Delaware County, Pennsylvania from 1977 to 1996. The Facility purchased chemicals for blending and redistribution. The Georgetown Building was built in 1977 and leased to the Facility by Henderson Builders. The land was purchased by Henderson Builders in 1975. Prior to that the land was a series of farms and/or woods.

Site Responsibility

RCRA Corrective Action activities at the facility are being conducted under the direction of EPA with assistance from PADEP.

Institutional Controls

To be determined.
