

Waste Minimization for the 21st Century

A Dialogue with West Virginia Business and Industry Leaders

*You are cordially invited to attend a Roundtable Discussion
on the Importance of
Waste Minimization in the 21st Century!*

- Who:** Industry Leaders and Executives, Environmental Managers
- What:** A half-day roundtable discussion among industry leaders, the U.S. Environmental Protection Agency, the West Virginia Division of Environmental Protection, and the West Virginia Manufacturers Association, hosted by the National Institute for Chemical Studies to discuss Waste Minimization Programs that focus on PBTchemicals.
- When:** Thursday, December 7, 2000
9:00 a.m. - 1:00 p.m.
Lunch and refreshments provided.
- Where:** University of Charleston
Maroon & Gold Room
2nd Floor, Geary Student Union
2300 MacCorkle Avenue, SE
Charleston, WV 25304
- Why:** To participate in a discussion about Waste Minimization and PBT Implementation and how they may impact on your company's bottom line. Share your ideas and thoughts with representatives from State and Federal Environmental Agencies.
