Attn: Ms. Denise Dixon, Project Manager

Dear Ms. Dixon:

EPA hereby approves Chevron's Workplan entitled Standard Operating Procedures for Soil Vapor Sampling Activities Associated with the Chevron/Chillum M.D. Project dated September 11, 2002 (SV Workplan), a copy of which is enclosed hereto.

By no later than October 14, 2002, Chevron shall begin conducting, and thereafter implement, the soil vapor monitoring at the locations identified by EPA in accordance with the EPA-approved SV Workplan. Chevron shall complete implementation of the EPA-approved SV Workplan within forty-five (45) calendar days of the date of this letter.

Within twenty (20) calendar days of Chevron's completion of the EPA-approved SV Workplan, Chevron shall submit to EPA for approval a report identifying the results of the soil vapor monitoring.

EPA may modify the approved SV Workplan as necessary to address comments from the community, as a result of additional monitoring, or other information.

Please contact me at (215) 814-3385 or Douglas Donor of my staff at (215) 814-3394 if you have any questions.

Sincerely,

Wayne S. Naylor  
Chief, Technical Support Branch
