# Funding Priorities

- Ready to proceed
  - Senate report says priority will be given to “shovel ready” projects which can begin construction within 180 days of enactment
- Achieve access
  - As defined by SDS Deficiency Levels 4 and 5
- For drinking water projects
  - Increase the number of people connected to public water systems that meet all health based standards

# Project Selection

- EPA and IHS will develop list of projects using the IHS SDS list
- ASAP but no later than 2/16, tribes can submit information about projects not on the SDS list that meet the funding priorities
- EPA Region 9 will select projects based on the funding priorities and available funding

# Award Process

- Funds will primarily be awarded in two global Interagency Agreements from EPA HQ to IHS HQ
- To the extent possible considering any requirements, funding may also be awarded by grant from EPA Region 9 to a Tribe
