

APPENDIX A: UNITS REQUIRING INVESTIGATION

Tyndall Air Force Base, Bay County, Florida

U.S. EPA ID FL570024124

(Revised May 7, 2008)

Reference: RCRA Facility Assessment, October 22, 1994

1. Wherry Landfill (IRP Site 1)
2. Saber Drive Landfill (IRP Site 2)
3. Beacon Beach Road Landfill (IRP Site 3)
4. Southeast Runway Extension Burial Site (IRP Site 4)
5. Sewage Plant Vicinity Landfill (IRP Site 6)
6. "6000" Area Landfill (IRP Site 5)
7. Spray Field Vicinity Landfill (IRP Site 7)
8. Golf Course Disposal Area (IRP Site 8)
9. Capehart Burial Site (IRP Site 9)
10. Capehart Marina Rubble Storage (IRP Site 10)
11. Boy Scout Road Yard Trash Disposal Area (IRP Site 11)
12. Highway 98 Burial Site (IRP Site 12)
13. Explosive Ordnance Range (IRP Sites 13 and 21) Includes Burn Pit, 4 Burial Pits, EOD Waste Accumulation Area
14. POL Area A Sludge Trenches (IRP Site 14)
15. POL Area B (IRP Site 15) Includes POL Area B Sludge Trenches and Building 509 Former IRP Drum Holding Pad
16. Shell Bank Fire Training Area (IRP Site 16) Includes Fire Training Pit, Original POL Holding Tanks, New POL Holding Tanks
17. Highway 98 Fire Training Areas (IRP Sites 17 and 27) Includes Fire Training Area, Former PCB Transformer Site, 300 Drum Burial Area
18. AAFES Service Station Former UST Area (IRP Site 19)
19. Former Facility 550 Waste Petroleum Products Storage Tanks (IRP Site 20)
20. Pesticide Disposal Area (IRP Site 22)
21. Former Active Fire Training Area (IRP Site 23) Includes Fire Training Pit, Fuel Storage Tank, Oil/Water Separator
22. Former Building 9700 Batch Asphalt Plant Site (IRP Site 24)
23. Small Arms Repair Area (IRP Site 25) Includes Small Arms Repair Burial Pit UST Holding Area
24. Vehicle Maintenance Area (IRP Site 26) Includes Building 571 Vehicle Washracks and Waste Oil UST and Piping, Building 560 Vehicle Maintenance Area Trenches and Paint Booth Area, Building 559 Floor Drains and Waste Storage Shed, Building 561 Fuel Truck Maintenance Area Trenches and Waste Oil UST and Piping, Building 559 Oil/Water Separator, Building 560 Oil/Water Separator A and B, Building 561 Oil/Water Separator, Building 571 Oil/Water Separator, POL Area C, and Building 560 Product USTs

25. Shoal Point Bayou DDT Contamination Area ((IRP Site 29)
26. Unauthorized Drum Burial Pits and “6000” Area Construction Debris Landfill (IRP Site 36)
27. Waste Oil Browsers
28. Oil/Water Separators: Includes Oil/Water Separators (Buildings 83, 239, 258, 264 Maintenance Pad, 264 Wash Pad, 315, 316, 325, 559, 560, 561, 571, 934, 9710, Fuels Management Areas A and B, Former Active Fire Training Area, New Engine Test Cell Test Pad, Buildings 256, 408, 413, 6025, 5025, 9725, 7028, 323, 188, 21, 1134, 968, 460, and 7040)
29. Waste Accumulation Areas (Buildings 180, 182, 186, 188, 205, 258, 264 AGE, 264 Maintenance Pad, 310, 315, 319, 400, 422, 462, 522, 559, 662, 741, 934, 1117, 5025, 6027, 9710, 9725, and EOD Waste Accumulation Area)
30. Sanitary Sewer System
31. Wastewater Treatment Plant
32. Wastewater Holding Pond
33. Spray Irrigation Field
34. Stormwater Drainage Ditches
35. Former Building 158 Area
36. Building 83 Washrack
37. New Engine Text Cell Test Pad
38. Building 264 AGE Wash Pad
39. Building 264 AGE Maintenance Pad
40. Building 315 Paint Shop Area Trenches
41. Building 316 Fuel Cell Maintenance Area Trench
42. Building 325 Engine Text Cell Test Pad Floor Drains
43. Building 522 Spent Lead Acid Battery Draining System
44. Building 934 Auto Hobby Shop Waste Oil Storage Tank
45. Building 934 Auto Hobby Shop Waste Oil Collection Drums
46. 6000 Area Shop Waste Tanks
47. Building 6011 Drum Receiving Area
48. Building 601 Waste Storage Sheds
49. Building 9710 Vehicle Maintenance Wash Pad
50. Fuels Management Area Waste Oil UST
51. Former RCRA Storage Container Storage Area
52. Former Capehart Wastewater Treatment Plant Site
53. Former Building 239 Engine Test Cell Waste Oil Storage Tank
54. Former Building 240 Engine Test Cell Storage Tank
55. Building 451 Former PCB Transformer Storage Area
56. Building 530 Former Empty Drum Holding Area
57. Building 3002 Former PCB Transformer Storage Area
58. Former Medical Waste Incinerator
 - A. Building 182 Former UST Site
 - B. Building 214 Diesel UST
 - C. Building 239 Former 10,000 Gallon Jet Fuel UST

- D. Building 239 Former 5,000 Gallon Jet Fuel UST
- E. Building 242 Former Waste Oil Tank
- F. Building 550 Groundwater Plume
- G. Building 560 Product USTs
- H. Building 722 Former Gasoline UST
- I. Building 1282 Diesel UST
- J. Building 2706 Product Storage Tanks
- K. Building 7022 Diesel Fuel Spill

Wherry Landfill
 Beacon Beach Rd Landfill
 6000 Area Landfill
 Sewage Plant Vicinity Landfill
 Spray Field Vicinity Landfill
 POL Area B
 Shell Bank Fire Training Area
 Highway 98 Fire Training Area
 AAFES(BX) Service Station
 POL Area C
 Little Cedar Creek/Bayou Fire Training Area
 Vehicle Maintenance Area
 Shoal Point Bayou
 6000 Area Wetlands
 Beacon Beach Skeet Range
 WWTP Basin and Sprayfield
 Sabre Drive Landfill
 SE Runway Extension Burial Site
 Golf Course Trash Disposal Area
 Capehart Burial Site
 Capehart Marina Rubble Storage
 Boy Scout Rd. Yard Trash Disposal Area
 Highway 98 Burial Site
 EOD Waste Accumulation Area
 POL Area A
 EOD Range Burn/Burial Pits Site
 Pesticide Disposal Area
 9700 Area Batch Asphalt Plant
 Small Arms Repair Area
 300 Drum Burial Area
 Crooked Island
 Carrabelle Missile Tracking Annex
 St. George Island ACMI Tower

Apalachicola Radio Relay Annex
Springfield Railroad Siding Annex
Cove Gardens Military Family Housing Satellite
Bay County Wastewater Treatment Lagoon
6000Area Construction Debris Landfill

Reference: Phase I Comprehensive Site Evaluation Report for TAFB, URS Consultants, Draft Final, April 2007. Table 2-1: MEC Summary Information. Areas are closed unless otherwise indicated.

Jeep Range (SR169)
Stationary Target Range
Harmonization/Malfunction Range
Miniaturization Range
Former Munitions Storage Area
Tower Range
Burst Control Range
Skeet Range West (also known as IRP Site 38)
Skeet Range East
Former Firing In-Butt
Lagoon Splash Target Range
Davis Beach Range
Sky X Research Facility (active) (includes Explosives Area and POL Area)
Munitions Storage Area (active)
Combat Arms Training Facility (active)
Skeet Range (active)
40 mm Practice Grenade Range (active)
Explosive Ordnance Disposal Range (active)
EOD Range/OT-21
EOD Burial Site/SWMU 13A, 13B, 29W
Crooked Island/OT28
St. George Island
Cape San Blas Splash Targets
Apalachicola Gunnery Camp
