

SIC codes that could be applicable to the Deepwell are as follows:

4953
5093
8714
9511
2819
2869
2899 & 5169,

and these are in declining order of importance (i.e. 4953 is most important).

It is noted that a financial assurance amount (\$120,000) in excess of the total combined estimates of cost for plugging and abandonment and post closure care (\$107,100 = 99,600 + 7,500) is attached to ensure that inflation (up to 12%) is not an issue in the near-term regarding these costs.
