Re: EGT UIC Permits Application

Dear Ms. Rzeznik:

Enclosed please find a copy of Environmental Geo-Technologies, LLC ("EGT") UIC Permits Application in conformance with the federal regulations at 40 CFR Parts 146 & 148, and, our WAP in conformance with 40 CFR 264.13 and Region 5's UIC WAP Regional Guidance #8 Document (dated 01.21.94, last updated 10.02.07).

We look forward to your and EPA's review of this Application & information and are available at any time to discuss, review and revise these documents as necessary.

Please do not hesitate to contact me at (313) 962-9484 or Mr. Yaser Mahmoud at (734) 946-1000 if you have any questions.

Sincerely,

A handwritten signature in black ink, starting with a large, stylized 'D' and ending with a long horizontal flourish.

Dimitrios (Jim) Papas
Chief Executive Officer
