DEPUTY ADMINISTRATOR

MEMORANDUM

SUBJECT: Hispanic Outreach

FROM: Marcus Peacock

TO: Richard Greene

A handwritten signature in black ink, appearing to read "Marcus Peacock".

I would like to congratulate Region 6 and OPA for your efforts to advance the Agency's mission in the Hispanic community. I was very impressed by the recent Hispanic Stakeholders' Forum "Beyond Translations" that Region 6 hosted in San Antonio, Texas. I sincerely believe that it serves as a model for the Agency to address multilingual challenges in the United States while enhancing communications efforts to Hispanics in Region 6 and nationwide.

I understand that Miguel Flores and Paula Flores in Region 6, and Lina Younes in the Office of Public Affairs have been particularly effective champions in moving this work forward. I am copying other Regions so that they can follow your lead in conveying public information to Hispanics and other multilingual communities.

Once again, bravo!
