

Beyond Translation Eco-Café

What is Eco-Café?

Eco-Café is a series of personalized small group meetings focusing on identifying funding opportunities and other resources to aid efforts in improving community wellness and promoting environmental actions. Forum participants will have the opportunity to visit with six representatives of different organizations and hear about their funding opportunities and other resources available to communities.

Goals:

- Match community needs with existing resources
- Provide information on how to access funding opportunities and other resources

When will the Eco-Café take place?

The *Eco-Café* is part of the Beyond Translation Leaders Forum agenda. It takes place on November 18, from 2:00 PM to 3:30 PM.

Interested in being a Presenter at the Eco-Café?

Organizations that have funding opportunities and/or other resources for communities are invited to present. If you are interested, **please contact Jack Arias or Thomas Ruiz before October 23, 2009.**

How do I register for the Eco-Café sessions?

All of the Beyond Translation Forum participants will have an opportunity to choose from several mini Eco-Café sessions during registration (8:00 AM – 8:30 AM) on November 18, 2009. We will be sending synopsis of the sessions in a follow-up message.
