CONSENT AGREEMENT AND FINAL ORDER

The U.S. Environmental Protection Agency (EPA), Region VII and Mid-Iowa Cooperative, (Respondent) have agreed to a settlement of this action before filing of a complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b), 22.18(b)(2) and 22.18(b)(3) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. §§ 22.13(b), 22.18(b)(2) and 22.18(b)(3).

ALLEGATIONS

Jurisdiction

1. This is an administrative action for the assessment of civil penalties instituted pursuant to Section 14 of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), 7 U.S.C. § 136j.
2. This Consent Agreement and Final Order (CAFO) serves as notice that EPA has reason to believe that Respondent has violated Section 12 of FIFRA, 7 U.S.C. § 136j.

Parties

3. The Complainant, by delegation from the Administrator of EPA and the Regional Administrator, EPA, Region VII, is the Director of the Water, Wetlands and Pesticides Division (WWPD), EPA, Region VII.
4. The Respondent is Mid-Iowa Cooperative, a pesticide dealer, located at 101 South Main Street, P.O. Box 80, Beaman, Iowa. The Respondent is and was at all times referred to in this CAFO, a "person" as defined by Section 2(s) of FIFRA, 7 U.S.C. § 136(s), and a corporation qualified to do business in the state of Iowa.

Statutory and Regulatory Background

5. Section 12(a)(2)(F) of FIFRA states that it shall be unlawful for any person to distribute or sell, or to make available for use, or to use, any registered pesticide classified for restricted use for some or all purposes other than in accordance with section 3(d) of this title and any regulations thereunder, except that it shall not be unlawful to sell, under regulations issued by the Administrator, a restricted use pesticide to a person who is not a certified applicator for application by a certified applicator. 7 U.S.C. § 136j(a)(2)(F).

6. The term “to distribute or sell” means to distribute, sell, offer for sale, hold for distribution, hold for sale, hold for shipment, ship, deliver for shipment, release for shipment, or receive and (having so received) deliver or offer to deliver. 7 U.S.C. § 136(gg).

Factual Allegations

7. Respondent, at all times relevant, operated as a wholesale distributor of agricultural chemicals including pesticides, insecticides, and fertilizers in Beaman, Iowa.

8. On January 28, 2008, a representative of the Iowa Department of Agriculture and Land Stewardship (IDALS) conducted an inspection of the Respondent’s Beaman, Iowa facility.

9. During the inspection, the IDALS representative observed that Respondent offered for sale or distribution AZTEC® 2.1% granular insecticide (EPA Reg. No. 264-813). The AZTEC® 2.1% label bears the statement that the product is a Restricted Use Pesticide (RUP).

10. The IDALS representative reviewed the sales receipts of individuals who purchased RUPs from Respondent. The documentation revealed that an individual purchased 1650 pounds of AZTEC® 2.1% on April 23, 2007, whose certification expired on December 31, 2005.

11. On March 17, 2008, the IDALS representative obtained a statement from the individual who purchased the AZTEC® 2.1%. The individual stated he bought and applied the AZTEC® 2.1% and was unaware his certification had expired.

VIOLATIONS

12. The Complainant hereby states and alleges that Respondent has violated FIFRA and federal regulations promulgated thereunder, as follows:

13. Documentation collected during the January 28, 2008, inspection reveals that the RUP, AZTEC® 2.1%, was sold to an uncertified applicator. The individual who purchased the AZTEC® 2.1% applied the product without proper certification and did not purchase the product for use by a certified applicator.

14. Respondent violated Section 12(a)(2)(F) of FIFRA by distributing or selling a registered pesticide classified for restricted use for some or all purposes other than in accordance with

section 3(d) of this title and any regulations thereunder. 7 U.S.C. § 136j(a)(2)(F).

Nothing contained in the Final Order portion of this CAFO shall alter or otherwise affect Respondent's obligation to comply with all applicable federal, state and local environmental statutes and regulations and applicable permits.

40. Failure to pay the assessed penalty may result in the referral of this matter to the United States Department of Justice for collection. If payment is not received on or before the due date, interest will be assessed at the annual rate established by the Secretary of the Treasury pursuant to 31 U.S.C. § 3717. The interest will be assessed on the overdue amount from the due date through the date of payment.
