Nothing herein shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

13. Notwithstanding any other provision of this Section, the United States and the State of Nebraska may, in their unreviewable separate discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse Settling Defendant from payments as required by Section V or from performance of any other requirements of this Consent Decree.

#### VII. COVENANT NOT TO SUE BY PLAINTIFFS

14. Covenant Not to Sue by United States. Except as specifically provided in Section VIII (Reservation of Rights by Plaintiffs), the United States covenants not to sue or to take administrative action against Settling Defendant pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a), and Section 7003 of RCRA, 42 U.S.C. § 6973, with regard to the Site. This covenant not to sue shall take effect upon receipt by EPA of all payments

required by Section V (Payment of Response Costs) and any amount due under Section VI (Failure to Comply with Consent Decree). This covenant not to sue is conditioned upon the satisfactory performance by Settling Defendant of its obligations under this Consent Decree. This covenant not to sue extends only to Settling Defendant and does not extend to any other person.

15. Covenant Not to Sue by State of Nebraska. In consideration of and upon receipt of the payment the Settling Defendant is making pursuant to Paragraph 8, and except as otherwise provided in Paragraph 16 below, the State of Nebraska covenants not to further sue or to take administrative action against the Settling Defendant for reimbursement of costs the State has incurred for the Site and further releases and covenants not to sue the Settling Defendant for natural resources damages related to the Site.

#### VIII. RESERVATION OF RIGHTS BY PLAINTIFFS

16. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendant with respect to all matters not expressly included within the Covenant Not to Sue by United States in Paragraph 14. The State of Nebraska reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendant with respect to all matters not expressly included within the Covenant Not to Sue by State of Nebraska in Paragraph 15. Notwithstanding any other provision of this Consent Decree, the United States and the State of Nebraska (except that the State does not reserve natural resource damages (“NRD”) claims as described in sub paragraph (c) below) reserve all rights against Settling Defendant with respect to:

- a. liability for failure of Settling Defendant to meet a requirement of this Consent Decree;
- b. criminal liability;
- c. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- d. liability, based upon Settling Defendant’s ownership or operation of the Site, or upon Settling Defendant’s transportation, treatment, storage, or disposal, or the arrangement for the transportation, treatment, storage, or disposal, of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree by Settling Defendant; and
- e. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant, or contaminant outside of the Site.

#### IX. COVENANT NOT TO SUE BY SETTLING DEFENDANT

17. Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States or the State, or their contractors or employees, with respect to the Site or this Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the Nebraska Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or

c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613.

18. Except as provided in Paragraph 17 (Waiver of Claims) and Paragraph 20 (Waiver of Claim-Splitting Defenses), these covenants not to sue shall not apply in the event the United States or the State brings a cause of action or issues an order pursuant to the reservations set forth in Paragraph 16 (c) - (e), but only to the extent that Settling Defendant's claim arises from the same response action or response costs that the United States or the State is seeking pursuant to the applicable reservation.

19. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

20. Settling Defendant agrees not to assert any CERCLA claims or causes of action that it may have for all matters relating to the Site, including but not limited to, claims or causes of action under Sections 107(a) and 113 of CERCLA, against any other person. This waiver shall not apply with respect to any defense, claim, or cause of action that a Settling Defendant may have against any person if such person asserts a claim or cause of action relating to the Site against such Settling Defendant.

#### X. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

21. Except as provided in Paragraph 20, nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. The preceding sentence shall not be construed to waive or nullify any rights that any person not a signatory to this Decree may have under applicable law. Except as provided in Paragraph 20, each of the Parties expressly reserve any and all rights (including, but not limited to, pursuant to Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action which each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Consent Decree diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

22. The Parties agree, and by entering this Consent Decree this Court finds, that this settlement constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and that the Settling Defendant is entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for "matters addressed" in this Consent Decree. The "matters addressed" in this Consent Decree are all response actions taken or to be taken and all response costs incurred or to be incurred, at or in connection with the Site, by the United States or any other person; provided, however, that if the United States exercises rights against the Settling Defendant under the reservations in Section VIII (Reservation of Rights by Plaintiffs), other than in Paragraphs 16(a) (claims for failure to meet a requirement of the Consent Decree

Consent Decree), or 16(b) (criminal liability), the “matters addressed” in this Consent Decree will no longer include those response costs or response actions that are within the scope of the exercised reservation.

23. The Settling Defendant shall, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify the United States and the State in writing no later than 60 days prior to the initiation of such suit or claim. The Settling Defendant shall, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify the United States and the State in writing within 10 days of service of the complaint or claim upon it. In addition, the Settling Defendant shall notify the United States and the State within 10 days of service or receipt of any Motion for Summary Judgment, and within 10 days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

24. In any subsequent administrative or judicial proceeding initiated by the United States or the State for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States or the State in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by Plaintiffs set forth in Section VII.

#### XI. ACCESS TO INFORMATION

25. Settling Defendant shall provide to EPA and the State, upon request, copies of all records, reports, or information (hereinafter referred to as “records”) within their possession or control or that of their contractors or agents relating to activities at the Site or to the implementation of this Consent Decree, including, but not limited to, sampling, analysis, chain of custody records, manifests, trucking logs, receipts, reports, sample traffic routing, correspondence, or other documents or information related to the Site.

#### 26. Confidential Business Information and Privileged Documents.

a. Settling Defendant may assert business confidentiality claims covering part or all of the records submitted to Plaintiffs under this Consent Decree to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. 2.203(b). Records determined to be confidential by EPA will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B and by the State in accordance with Neb. Rev. Stat. § 84-712 *et seq.* If no claim of confidentiality accompanies records when they are submitted to EPA and the State, or if EPA has notified Settling Defendant that the records are not confidential under the standards of Section 104(e)(7) of CERCLA or 40 C.F.R. Part 2, Subpart B, and Neb. Rev. Stat. § 84-712 *et seq.* for the State, the public may be given access to such records without further notice to Settling Defendant.

b. The Settling Defendant may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendant asserts such a privilege in lieu of providing records, they shall provide Plaintiffs with the following: 1) the title of the record; 2) the date of the record; 3) the name and title of the author of the record; 4) the name and title of each addressee and recipient; 5) a description of the subject of the record; and 6) the privilege asserted. However, no records created or generated

pursuant to the requirements of this or any other settlement with the United States shall be withheld on the grounds that they are privileged

27. No claim of confidentiality shall be made with respect to any data, including but not limited to, all sampling, analytical, monitoring, hydrogeologic, scientific, chemical, or engineering data, or any other records evidencing conditions at or around the Site.

## XII. RETENTION OF RECORDS

28. Until 10 years after the entry of this Consent Decree, the Settling Defendant shall preserve and retain all records now in its possession or control, or which come into its possession or control, that relate in any manner to response actions taken at the Site or the liability of any person under CERCLA with respect to the Site, regardless of any corporate retention policy to the contrary.

29. After the conclusion of the document retention period in the preceding paragraph, Settling Defendant shall notify the United States and the State at least 90 days prior to the destruction of any such records, and, upon request by the United States or the State, Settling Defendant shall deliver any such records to EPA or the State. The Settling Defendant may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendant asserts such a privilege, it shall provide Plaintiffs with the following: 1) the title of the record; 2) the date of the record; 3) the name and title of the author of the record; 4) the name and title of each addressee and recipient; 5) a description of the subject of the record; and 6) the privilege asserted. However, no records created or generated pursuant to the requirements of this or any other settlement with the United States shall be withheld on the grounds that they are privileged.

30. The Settling Defendant hereby certifies individually that, to the best of its knowledge and belief, after thorough inquiry, it has not altered, mutilated, discarded, destroyed or otherwise disposed of any records, reports, or information relating to its potential liability regarding the Site since notification of potential liability by the United States or the State or the filing of suit against it regarding the Site and that it has fully complied with any and all EPA requests for information pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6927.

## XIII. NOTICES AND SUBMISSIONS

31. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Written notice as specified herein shall constitute complete satisfaction of any written notice requirement of the Consent Decree with respect to the United States, EPA, DOJ, the State, and the Settling Defendant. Notices required to be sent to EPA, and not to the United States, under the terms of this Consent Decree should not be sent to the U.S. Department of Justice.
