Re: REFERRAL OF ADMINISTRATIVE COMPLAINT

Dear Mr. Ausman:

On February 20, 2013, the U.S. Environmental Protection Agency's (EPA), Office of Civil Rights (OCR), received an administrative complaint against the Methodist Hospital Emergency Department (Methodist Hospital). The complaint alleges that Methodist Hospital discriminated against Ms. [REDACTED] due to her national origin, disability, and retaliation.

Pursuant to EPA's nondiscrimination administrative regulations, OCR conducts a preliminary review of administrative complaints for acceptance, rejection, or referral. 40 C.F.R. §7.120(d)(1). To be accepted for investigation, a complaint must meet the jurisdictional requirements described in EPA's nondiscrimination regulations. First, it must be in writing. 40 C.F.R. §7.120(b)(1). Second, it must describe alleged discriminatory acts that violate EPA's nondiscrimination regulations (*i.e.*, an alleged discriminatory act based on race, color, national origin, sex, or disability). *Id.* Third, it must be filed within 180 calendar days of the alleged discriminatory act. 40 C.F.R. §7.120(b)(2). Finally, it must be filed against an applicant for, or a recipient of, EPA financial assistance that committed the alleged discriminatory act. 40 C.F.R. § 7.15.

EPA does not provide financial assistance to Methodist Hospital, and, therefore, cannot accept the complaint for investigation. We are referring the complaint to the U.S.

Department of Health and Human Services for further review and any action they believe is appropriate.
