

Respectfully, INITIAL INVESTIGATOR

2-18-13

My name is [REDACTED] and I want to report a health hazard at three different apartment complexes. There ~~is~~ a housing investigation as you read this missive. But the problem continues, people have raw sewage running thru their apartments and the Landlord Refuses to fix the problems. People are continuing sick, and tenants have had had doctor reports telling the patient to inform the landlord that it's something in water that's making tenants sick. I sent these pictures as proof of negligence of the Landlord

[REDACTED] site has 3 different properties that has the issues, its over tenants that basically live in legal code building. These ~~prop~~ properties were built in 1965, 1971, 1970 and has no apparent upgrades as use advised on the internet. Thank you for your time
