Madam/Sir:

To whom it may be of concern(s), I am writing because, I need legal assistance, and seek to file a lawsuit against Department of Correctional Services Medical department for reason(s), as follows(s); I have suffered with existing ailments since 9/22/2007, diagnosis [REDACTED]

I arrived here at Southport Corr. fac. on Jan/1/2012 with both diagnosis, and as too date my health has declined since my initial arrival, and continuously worsen, I now use an inhaler due to breathing conflict, and don't have asthma; I now had obtained [REDACTED]

[REDACTED] I did not arrive with all the forementioned additional ailments, The "Specialist" at the Gastroenterology Endoscopy Center had recommended that I be provided with Ensure due to above mentioned reasons, and I am denied to receive such nutrient supplements, I am not receiving proper care at this facility, The doctor "Mr. Canfield" expressed sentiments that I shouldn't be here at this facility, because I need to be in a medical facility that are better equip to adhere to my medical needs, this facility requires waste chain involving all movements and the [REDACTED] on my stomach is severely pained when chains are applied! I have [REDACTED] I was provided with Temevor Cream for topical treatment, and such cream has burned my →
