

**The Green Power Procurement
webcast will start in a few minutes.**

**You will hear background music until
the webcast begins.**

Webcast Agenda

- Logistics - Using Live Meeting - Municipal Clean Energy Environment Network Overview, Andrea Denny.
- Green Power Procurement Program, Blaine Collison.
- City of Houston, TX, Jedediah Greenfield.
- City of Bellingham, WA, Benjamin Rupert.
- Q&A.

Live Meeting Logistics

- You will be muted throughout this webcast to minimize background noise. You'll be able to submit questions and comments in writing.
- Today's session will be recorded and will be made available for download in a few weeks at: <http://epa.gov/cleanenergy/energy-programs/state-and-local/webcast.html>
- Throughout the webcast, if you have problems, please contact Nikhil Nadkarni at NNadkarni@icfi.com OR 202-862-1145.

View and Layout

- Press F5 to show the presentation full screen, and F5 to return to the Live Meeting console.
- To restore all the default tools to the screen, go to “View” and select “Restore Default Layout.”

The screenshot displays the Microsoft Live Meeting interface. The title bar reads "National UHI Webcast - Microsoft Live Meeting". The menu bar includes File, Edit, View, Share, Tools, Attendees, Audio, and Help. The "View" menu is circled in red. Below the menu bar is a toolbar with various icons and a "Fit to Page" dropdown. The main interface is divided into several panes:

- Microsoft Office Live Meeting**: Contains the "Global Crossing" logo.
- Resources**: A large empty white area.
- Now Presenting**: Shows "Active Presenter: None" and a "Lock control over content display" checkbox.
- Attendees (1 of 1)**: Shows a list of attendees with "Lauren at ICF" listed. Below the list are buttons for "Send E-mail Invite...", "Call Someone", and "More Choices >>".
- Seating Chart**: A grid of 10x10 seats with a legend for "Slow Down", "Speed Up", "Need Help", "Proceed", and "Question".
- Questions and Answers (No Questions)**: A text area for asking questions, with "Ask", "Delete", and "Question Manager" buttons.

The bottom left corner of the slide features the EPA logo.

Questions

- If you have a question, type it into the “To Ask...” box and click “Ask.” You may submit questions at any time during the webcast.

The screenshot displays the Microsoft Live Meeting interface for a session titled "National UHI Webcast - Microsoft Live Meeting". The interface includes a menu bar (File, Edit, View, Share, Tools, Attendees, Audio, Help), a toolbar with navigation and presentation controls, and a central video area. On the left side, there are several panels: "Microsoft Office Live Meeting" with the "Global Crossing" logo, a "Resources" panel, a "Now Presenting" panel showing "Active Presenter: None", and an "Attendees (1 of 1)" panel listing "Lauren at JCF". At the bottom, there is a "Seating Chart" panel with a grid and a legend for feedback (Slow Down, Speed Up, Need Help, Proceed, Question), and a "Questions and Answers (No Questions)" panel. The "Questions and Answers" panel contains the text "No questions have been answered yet in this meeting." and a text input field with the placeholder text "To ask the presenter(s) a question, type it here and click Ask." circled in red. Below the input field are buttons for "Ask", "Delete", and "Question Manager".

Program Overview

- Informational and peer exchange network:
 - Advance clean energy in local governments and their communities.
 - Focus on established, cost-effective best practices.
 - Serve as a Gateway to existing resources.
 - Develop new tools, resources, and guidance.
 - Facilitate peer to peer exchange.
