

Manufacturer: Berry Plastics Corporation
Model: Snap-Lok II
ASTM Type: IB

Description:

This is a one piece plastic continuously threaded closure (Figure 1).

Figure 1

The closure is opened by squeezing a tab on the side of the closure and simultaneously turning it counterclockwise. The tab on the side of the closure (Figure 1) locks into a bayonet on the bottle neck finish to keep the package closed.

The manufacturer's instructions on the closure are (Figure 2):
