Re: Request for Waller County 2011 Redistricting Submission to U.S. Department of Justice and Request for State and/or Federal Grants received by Waller County.

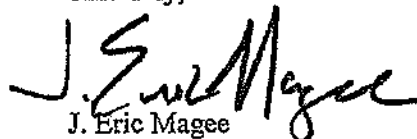

Dear Mr. Pertile:

As we discussed, you submitted a public information request for all state and/or federal grants received by Waller County for fiscal years 2011-2012, 2012-2013, and 2013-2014 to Waller County Auditor, Alan Younts. Mr. Younts requested a one week extension to provide the requested information. Before the requested extension expired, Mr. Younts attempted to contact you by submitting an email to you on your law firm's website, [www.olsonllp.com](http://www.olsonllp.com), in order to discuss your request and the final product; however, Mr. Younts did not receive a response from your office. Please find enclosed a copy of a spreadsheet responsive to your request.

Additionally, you submitted a public information request for Waller County's 2011 redistricting submission to the U.S. Department of Justice to Syd Falk, Bickerstaff Heath Delgado Acosta, L.L.P. It is my understanding from our conversation that you were referred back to Waller County in order to obtain a copy of the redistricting submission. Please find enclosed a copy of Waller County's 2011 Redistricting Submission to U.S. Department of Justice.

Please contact me should you have any questions.

Sincerely,

  
J. Eric Magee
