The Minden dialogue committee is made up of a group of individual volunteer citizens, community leaders, local and statewide organizations, scientists, elected officials and state representatives that are coming together to look at alternatives to address materials at Camp Minden in Webster Parish, Louisiana. This group, along with the public, will have the opportunity to provide individual input. The group is not convened under the Federal Advisory Committee Act (FACA) and questions should be directed to Suzanne Murray, Office of Regional Counsel (214) 665-2110.
