

Printing Guide: SepticSmart Homeowners Guide

Personal (at home or office):

When printing the homeowners guide, use 80# text paper. This can be found at your local office supply store.

1. Open the file in Acrobat, then open the print setup window.
2. Select your paper size. The guide is 8.5"x11." It prints best on 8.5"x11." Select "fit" or "fit to paper" to ensure the entire design prints.
3. Select two-sided (duplex) printing.
4. Select "portrait" in the orientation section.
5. Press "Print."
6. Trim with a ruler and an X-Acto knife or carefully with scissors. Then staple the pages together.

Professional (print vendor):

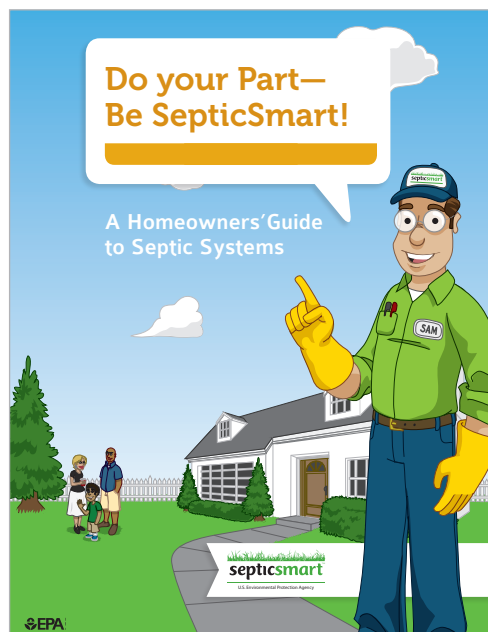

Size: 8.5"x11" Booklet

Sides: 4/4

Inks: Digital option: 4/4 (digital press)
