# Top Ten Things We Learned

6. Hire the Tech early
  7. Have plan B ready
  8. It won't work right the first time
  9. Don't believe anything you are told about equipment delivery times
  10. Have a good staff, foreman and crew
- 

# Top Ten Things We Learned

2. Have a lot of \$\$\$\$\$
  3. Have a point man to ride herd on the project
  4. Assemble a good project team
  5. It's probably more complicated than it looks
- 

Never ever give up!

Jimmy Sloan  
Executive Director

Golden Triangle Regional Solid Waste  
Management Authority  
2525 Old West Point Road  
Starkville, Mississippi  
662-324-7566
